BEDS 5

SIZE 850 m2

Description

A superbly luxurious Alpine lodge located in the highly sought-after Hameau area.

Chalet Makini is a pinnacle of contemporary Alpine design. Modern chic furniture, inspiring artwork, and unrivalled attention to detail make this property truly enchanting throughout.

Shimmering chandeliers and plush materials are juxtaposed beautifully with antique wood beams, polished oak flooring, natural stones, antique pieces, and opulent furs. The result is sophistication and style with a distinctive Swiss twist.

Completed in 2013, Chalet Makini is a magnificent ski-in/ski-out Alpine home, and the latest addition to Verbier's selection of super luxury properties. This property sits majestically on the banks of a shimmering pond in the highly desirable new Hameau development.

Contemporary furniture and art, glittering chandeliers and sumptuous fabrics have been combined with delightful traditional features such as old wood beams, polished oak flooring, natural stones, antique pieces, and luxurious furs to create a sophisticated and enchanting home.

The property boasts a number of spectacular living spaces, perfect for the sophisticated skier. Your eye will be drawn to the cascading glass petals of the magnificent chandelier suspended from the double height ceiling of the dining room.

Twelve guests can be comfortably seated around the baronial table set beside the flickering flames of the grand stone fire place. A perfect setting to enjoy a fine dining experience created by your private chef.

Up to 12 guests are housed comfortably in five beautiful and intricately designed bedrooms all with luxury en-suite facilities. The chalet has two stunning living areas that open onto extensive balconies and terraces, where you can enjoy the chalet's elevated position whilst gazing onto the striking landscape with a glass of champagne in hand.
