Description

Built in 2008, Les Anges was the first of the few privately owned luxurious chalets in Zermatt to start this stunning private collection. Chalet Les Anges ('The Angels') is located in the exclusive Petit Village area of Zermatt.

This outstanding and elegantly composed chalet, designed by the renowned interior architect Magali de Tscharner, features reclaimed wood throughout and is spread over three spectacular floors. It is full of light with huge panoramic windows to take full advantage of the breathtaking views.

Great care has been taken to create a warm and cosy ambiance utilising the expertise of leading international lighting consultants. Its modern contemporary style with the highest quality natural fabrics is counterbalanced by the symmetry of the furniture to enhance the feeling of warmth and serene luxury.

Les Anges sleeps fourteen guests in seven large en-suite bedrooms spread over two floors. Six bedrooms have undisturbed Matterhorn views. De Tscharner's design uses warm wood, clean lines, symmetry and contemporary colour to create welcoming, comfortable and cosy bedrooms.
