BEDS 7 BATHS 7 SIZE 950 m2

Description

The stunning Villa Puesta del Sol is located in Cala Llamp close to the exclusive yacht redounded harbour of Porto Andratx; with it comes a unique balance between exclusivity, authenticity, innovation as well as a truly alluring and relaxing environment only matched by your dreams.

This distinctly Mediterranean toned ambience, is empowered by the naturally occurring harmony between traditional architecture and modern elements, along with the occasional spectacular view all the way to Ibiza. The above irresistible assets have taken the form of a refuge, forming over time, what can only be called a busy cultivated neighbourhood which is only juxtaposed by the large plots offering, the so extensively sought-after, splendid private atmosphere.

The two storey building encompassing a significant living space of 950 sqm is divided into a sunbeam-overflowed living and dining room as well as a graceful and clever kitchen and 7 bedrooms and bathrooms. The gym, wine cellar and lift, all equipped with the latest technologies, are the manifestation of both supreme quality materials and the fulfilment of all the higher needs.
