BEDS 5 BATHS 4.5 SIZE 430 m²

Description

Walls of glass open to panoramic Mecox Bay and Atlantic Ocean views from this spectacular Modern "Beach house".

This home was conceived and created by a pedigreed team which included architect Fred Stelle, and world renowned designer Jacques Grange. No expense was spared in the process and the finished product is simply stunning.

Nearly 7,200 square feet of interior and exterior spaces which become one as this home floats above the dune. The open floor plan captures the essence of seaside living while at the same time offering direct access to the white sand beach and miles of pristine coastline all for your enjoyment.
