Description

Completed in 2014 the villa was conceived by the Indian Ocean Architectural practice Artema, known for their contemporary tropical elegance with the 'french touch'.

Nestled on the Anse Gouvernement beach in Praslin Seychelles, this exceptional 5 bedroom villa of this exclusive estate of 5,300 m2 opens out on a private beach and the sea.

The property consists of a main house with 3 bedrooms and an infinity pool and 2 independent guest houses with their own private pool each.
