CLIFTON, CAPE TOWN, SOUTH AFRICA

Residential land on Nettleton Road

UPON REQUEST

FINEST PROPERTIES. GLOBAL COLLECTION.

Description

Clifton, Cape Town and South Africa's most exclusive and expensive suburb, consists of only 227 houses and 321 luxury apartments nestled between the ocean and Lion's Head, part of the Table Mountain range.

Nettleton Road is the highest positioned road and it borders on the nature reserve so no further construction is possible giving it a truly unique position. 29 unique homes all face East giving them direct panoramic views of the setting African sun which are some of the most spectacular views in the world when the sky glows orange and red.

For all of these reasons, Nettleton Road has become the most exclusive and expensive road in Clifton and therefore in Cape Town, in South Africa and by extension in Africa. The combined size of these two plots would make it the largest plot in the Road and with their ideal position in the middle of the road as well as being on the mountain reserve side affording them unobstructed panoramic views of Lion's Head and the ocean makes it the most special location on the Road.

This is truly a once in a life time opportunity to build the most spectacular, exclusive and expensive home in the whole of Africa.
